

Here is the complete list of questions for HW4, which is due on Tuesday, June 12 at the start of class. We have already covered all of the needed material.

Q1 (3 marks): Exercise 6.2. (Using methods from class, as always.)

(As practice, I recommend finding other group sizes for which the technique works.)

Q2 (3 marks): Exercise 7.4.1 (not part 2).

Q3 (3 marks): Exercise 7.5.

Q4 (3 marks): Exercise 7.9.

Not for handing in: Exercise 7.2.
